Qualities

- Problem-solving
- Leadership
- Teamwork
- Time Management
- Customer Service

Profile

As a detail-oriented and experienced hospitality professional, I am keen to apply my leadership and organizational skills to enhance culinary operations and improve guest satisfaction. I am dedicated to fostering a collaborative team environment and am eager to drive success within a restaurant setting.

Driven by a passion for service and operational efficiency, I aim to lead restaurant teams in delivering exceptional dining experiences. My educational background complements my ability to implement data-driven strategies, optimize processes, and elevate team performance to new heights of customer satisfaction.
